Hello,

I am writing as a resident of East Cambridge to reinforce the opposition to the current re-development plans for the courthouse. I have both lived in and worked in East Cambridge for the last six years, and based on that experience I strongly concur with the concerns and opinions of the many others who have already spoken out in opposition. Please consider alternative development plans and listen to the concerns that we are raising before a difficult to reverse mistake is made which will result in a suboptimal outcome for the neighborhood, the city, and the state.

Kind regards,

Sam
